

Kol Ami Havurah, applicant of an LPFM station¹ in the Wheeling WV Radio Market, is very much against any lifting of current radio ownership caps. We feel that lifting the remaining ownership caps will not be in the public interest, will severely limit new enterants in the broadcast market place, and will severely limit radio diversity.

¹ Kol Ami Havurah has applied for an LPFM station located in Benwood WV File No. BNPL 200106AAE
